

Nashville Child and Family Wellness Center

Adolescent Self-Report Questionnaire

This form should be filled out in addition to the Adolescent-Young Adult Initial Visit Questionnaire. It is to be completed by the adolescent either before or at the initial visit, whichever the adolescent is most comfortable doing.

*Understanding as much as possible about you is essential to being able to help you. Please answer these questions as honestly as you can, and feel free to explain or add any other information. If a question does not apply to you or your situation, please write N/A. **This information, like ALL information you provide, is confidential and will be reviewed only by the provider you are scheduled to see or those for whom you give consent to review this.***
